Created by God is a tweens, 10 - 12 years old, faith and human sexuality class. Young persons this age are growing physically, mentally, emotionally, and socially at a rapid pace, often in ways they don't understand. And, they are being perceived in new ways by the world around them. Created by God is a study of human sexuality with a Christian foundation. It offers parents and their child opportunities to learn, grow, and celebrate the fact that we have each been wonderfully created by God and are called to responsible living as sexual beings. In addition, participation in Created by God will help parents and their tween to communicate better about sexuality and other life issues now and in the future.
