

January 27, 2015

Parents and staff,

If you have been experiencing trouble with Mindplay displaying choices covered by the trophy bar; Mindplay tech support suggests reducing your browser size to 75%, and then **refresh** your screen. If you would like me to show you how please stop by the computer lab Tuesday-Friday 8:00-8:15 a.m. or email me to arrange another more convenient time. Thank you

Example of problem:
