Dear Friends and Neighbors in Christ,

“But god raised him up, 
Having freed him from death, 
Because it was 
Impossible for him to be held in its power.”

- Acts 2:24 (NRSV) -

I pray that this month begins and continues for you with a maypole dance rather than a mayday distress call. Remember what the scripture says above to all of our false starts, faulty steps, and failed stoppages. No matter what Murphy (or the Devil) brings, always remember that the word says this to all of that: “But God…”!

This same God who buts and rebuts all of our trials, tribulations, and troubles raised Jesus Christ up to eternal life!! It’s still Easter folks, and the Lord of the dance will lead us all. This dance of eternal life has freed us from death, both here and hereafter.

Finally and forever, it is the power of the Holy Spirit—the wind and the breath of all creation—that points the way, the truth, and the life to all things possible!!! May all things possible bless you, and keep you, and give you peace this month of May and for all your days.

Yours in Christ,
Pastor Bob
